

I'm in Love

This is an old song I wrote for my former wife Diana, at a time when we were reaching back to where we started. Speaks to the importance of being friends, like we are again post-divorce. What is love without friendship? Not for me.

I love good live songs and I'm really happy with the solo guitar on this cut. Very inventive and evocative. Music you can feel go through you. Thanks to sweet Sugar Buzz Becca for the great lead share in the vocals!

(repeats)

It's good to be back here again

Back where it all started

Do you remember when

We were just very good friends

I don't know, Oh- o- o- o-

Where either one of us have been

But now's as good a time as any

To begin again, just being friends

And I... I'm in love

With that young boy I once knew

I'm in love, I'm in love

With hey hon, I think it's you

And I... I'm in love

With that young girl I once knew

I'm in love- I'm in love

With hey hon

It is... you
